RE: Amendment to Resolution 316-20: Motion to Defer Designated Officer
     Bylaw

REPORT SUMMARY (Detail Background, Comparable Projects, and Outcomes):

At the July 28, 2020 Regular Meeting of Council, the following motion was approved by Council due to a lack of urgency to address the item during the lengthy meeting:

Resolution 316-20:
Moved by Deputy Mayor Narayan that Council defer all readings of Bylaw 025-20, being the Designated Officer Bylaw, to the September 1, 2020 Council Meeting.

Due to other arising matters and the continued lack of urgency to address the proposed Designated Officer Bylaw, it is being recommended that Council amend their original direction to allow for Administration to bring forward the item at a later date.
